

IMPORTANT INFORMATION FOR PARENTS TO KNOW

Dear Parents,

We are excited to welcome you as a Parent Volunteer for your child's visit to Frisco Fire Safety Town.

- ❑ **Parent chaperones are welcome** but not required for **Fifth Grade** . We ask that **siblings not accompany** you for the visit.
- ❑ We recommend that parents wear comfortable clothes and shoes. This group often tours the fire station which may involve climbing stairs to see some parts of the facility.
- ❑ **Please leave belongings in your car.** You may be assisting with activities. This is easier to do without a purse or back pack.
- ❑ Your visit may involve breaking the class into smaller groups. If so, we will need the parent volunteers to also split up to support each group.
- ❑ We ask that all parents **put their cell phones on silent** during your child's visit. Because of the acoustics in our facility, we do ask that if you must take a call you step outside onto our patio or into our vestibule to do so.
- ❑ Because Frisco Fire Safety Town has created a unique concept in safety education, there may be other visitors observing or touring the site while your child's class is present. Anyone not associated with your school will be accompanied by Frisco Fire personnel at all times and shall not have interaction with students.
- ❑ Candid photos of the students participating in class exercises may occur. These are intended to illustrate the type of safety education and hands-on activities Frisco Fire Safety Town provides. The photographs may appear on the Frisco Fire Safety Town website, City of Frisco cable channel or utilized in a variety of Safety Town materials. Upon your arrival, please let us know if your child should not be photographed during their visit.

If you have any questions prior to your visit, feel free to call us at 972-292-6350 during regular business hours.
